Admission to a Master's Program at the University of Zurich

Dear Yuanhao Zhu

We are pleased to offer you admission to the following Master's program at the University of Zurich:

Begin of Study:	Fall Semester 2021
Faculty:	Faculty of Business, Economics and Informatics
Degree Program:	MSc UZH Informatics (RVO16)
Major 90:	Software Systems
Minor 30:	Data Science
Begin of Lecture Period:	20 September 2021

Please note that you alone are responsible for fulfilling all study-related requirements and for taking the necessary administrative steps toward earning your degree. You will find all necessary information in the relevant legal provisions and online publications of your faculty and of the University's central student administration.

Necessary steps for matriculation

1. **After your arrival in Switzerland** and by **13 September 2021** at the latest, please send us your **Swiss residential address** where you **can receive post** (incl. c/o name if your name is not on the mailbox) via our [contact form](#) (with the subject Application to Master's degree program).
2. Once you have arrived in Switzerland and notified us of your Swiss address, we will make your **invoice of the semester fees** available in the Application Portal (under UZH Documents) and also send it by post. Please pay the bill immediately. Only upon payment is your matriculation valid.
3. When your payment is received and processed, the status of your application in the Application Portal changes to Matriculated. Within 72 hours afterwards, your **login data for the University's digital resources** will be available in the Application Portal (under UZH Documents). Your **UZH Card** (student ID card) and four **proof-of-matriculation vouchers** will be sent separately by post before the lecture period begins.

4. Please submit your **Bachelor's degree diploma** and a **Credentials Report from [China Academic Degrees and Graduate Education Development Center \(CDGDC\)](#)** via our [contact form](#) (with the subject Submitting documents requested in the admission letter) by **30 September 2021**. Is your Bachelor's degree diploma issued only in Chinese, you are required to submit a [certified translation](#) along with the original diploma. The Credentials Report can be submitted without a translation. If we do not receive the Bachelor's degree diploma and the Credentials Report on time, we will rescind your admission and void your matriculation at the University.

Visa, accommodations, health insurance, etc. and administration of studies

Please note the information and links below concerning residency in Switzerland, booking modules, fees, advisory services, etc.

We wish you a good start at our University and much success in your studies.

Sincerely

Niels Zürrer
Head of the Admissions Office
